

Aerospace & Defense Industry Products

CBOL is dedicated to providing our customers with the highest quality parts sourced from approved U.S. vendors. CBOL supplies spares parts and subsystems for many military programs including: UH-60, CH-47, C-130, F-16, F-15, F-4/5, T-50/A-50, KT-1, K-9 New Self-Propelled Howitzer, K1A1 (Tank) Upgun.

Wide Variety of Materials and Processes

CBOL's range of products and sources ensures that we can satisfy the ever-evolving metals market. We support both government and private military customers all around the world. Products include:

- Hydraulic Pump Packages
- Hydraulic Actuator Systems
- Hydraulic Motors
- AC/DC Brush & Brushless Motors & Motor Controllers
- Electromechanical Actuator Systems
- High Pressure & Temperature Hoses and Fittings for Air and Hydraulic
- Sensors / Chip Collectors
- Pressure & Switches
- NVIS Electric Switches
- Electric Relays
- Circuit Breakers
- NVIS Cockpit Controls
- Displays
- Landing Gear Systems
- Landing Gear Controls
- Trim Control
- Engine Subsystems
- Arc-Alert Circuit Interrupters
- Fuel Systems
- Ammunition Auto-Feeding & Storage System

Integrated Pump Package

Dual Pressure Engine-Driven Pump

Value-Added

CBOL coordinates the logistics for all ocean, air and ground transportation. We also offer technical, business, and consulting support for companies operating in the rapidly changing international marketplace. We provide efficient export packaging including Hazmat packing and shipping, IPPC/HT treatment specifications for wooden crates, IATA documentation, kitting, LTA/JIT/AOG, as well as any required export license. Our buying power allows us to achieve lower freight costs by consolidating shipping containers.

Certified Quality

CBOL supplies products produced by approved sources that are certified to meet all U.S. and international standards for manufacturing and quality control. Our network of approved sources brings you diversity in design, a wide selection of alloys, critical dimensions, which are delivered when and where you need them. And, our suppliers operate under ISO 9001 guidelines.
