Critical Fasteners

CBOL is a supplier of critical fasteners to OEMs. Our manufacturing network provides a broad spectrum of **externally-threaded, internally-threaded, and cold-headed fasteners** to the aerospace, automotive and industrial manufacturing industries. We utilize the latest technologies to produce high strength, critical tolerance parts that meet the most demanding OEM specifications. CBOL's certified partners are continually applying their research and development efforts to new product designs and innovative advances in production technology.

Wide Variety and High Capacity

CBOL's extensive network of manufacturing partners allows us to source thousands of types of fasteners, including hot-and cold-forged parts, for a broad range of applications. CBOL's sales team and engineers work with you from concept to blueprint, to first article and production, ensuring that your parts will meet your exact specification. Our facilities have the capacity to produce hundreds of millions of pieces per month, all with uniform quality.

Cold Forged Parts

Value-Added

CBOL coordinates the logistics for all ocean, air and ground transportation. We offer technical, business, and consulting support for companies operating in the rapidly changing international marketplace. Whether you require special packaging, labeling, consignment terms or Just-In-Time delivery, we are ready to design a supply package that meets your needs and reduces your overall product cost.

Certified Quality

CBOL supplies products produced by approved sources that are certified to meet all U.S. and international standards for manufacturing and quality control. CBOL's network of approved sources brings you a wide selection of critical fastener products, which are delivered when and where you need them. Our suppliers operate under ISO 9001 guidelines, with capabilities to generate PPAP and process control documentation, utilizing electronic monitoring devices. Our quality control objective is zero defects beyond Six Sigma for all delivered parts.

Product Line

Bolts and Screws

- Cylinder Head Bolt
- Tie Rod Pins
- Ball Studs
- Bearing Cap Bolt
- Self-Clenching Screws
- Sems
- Con Rod Bolt
- Plug Bolts
- Pins
- Pulley Lock Bolt
- Flywheel Bolts
- Washers
- Hub Bolt
- Hex Stud Bolts
- Stator Bolts
- Tie Rod Bolt
- Hex Socket Bolts
- Washer Assy Hex Bolt
- Hose Bend Screws
- Flange Bolt
- Refrigerator Compressor Bolts
- Stud Bolt
- Machine, Tapping, Taptite Screws

Nuts and Other Parts

- Flange Nut
- Round Nut
- Wheel Bearing
- Slotted Nut
- Square Nut
- Cap Valve
- Wheel (Hub) Nut
- Combi Nut
- Ring
- Wiper Cap Nut
- Castle Nut
- Hex Nuts (standard, heavy, jam, high, long)
- Piston Pin
- Weld Nut
- Nylon Nut
- Tappet Engine Valve
- Con Rod Nut
- Pipe Nut
- Joint Oil Filter
- Self-Locking Nut
- Seat Belt Nut
- Neck Ring, Eye Ring
