Rubber & Plastics

CBOL utilizes a global network of manufacturing partners to supply the aerospace, automotive, and industrial machinery industries with world class rubber and plastic parts. As a specialty supplier, we are able to source a wide range of precision products produced with state-of-the-art molding and extrusion technologies designed to meet the most demanding OEM specifications.

Our manufacturing capabilities include:

- **Compression molding, transfer molding, vacuum molding and injection molding**
- **Wide variety of rubber hoses including radiator and fluoride hoses manufactured with automatic double extruders and high speed braiding machines**
- **Dynamic Vibration Testing of hydraulic mountings to detect defects from fatigue and aging**
- **Advanced multi-extrusion system for weather-stripping made from recyclable materials**
- **Engineered plastics for automotive and industrial components**

Cassette

Value-Added

CBOL coordinates the logistics for all ocean, air and ground transportation. We offer technical, business, and consulting support for companies operating in the rapidly changing international marketplace. Whether you require special packaging, labeling, consignment terms or Just-In-Time delivery, we are ready to design a supply package that meets your needs and reduces your overall product cost.

Certified Quality

CBOL supplies products produced by approved sources that are certified to meet all U.S. and international standards for manufacturing and quality control. CBOL's network of approved sources brings you a wide selection of rubber and plastic products, which are delivered when and where you need them. Our suppliers operate under ISO 9001 guidelines, with capabilities to generate PPAP and process control documentation utilizing electronic monitoring devices. Our quality control objective is zero defects beyond Six Sigma for all delivered parts.

Product Line

Anti-Vibration
 Engine Mount
 Strut Mount
 Bushing
 Lower Arm
 Links
 Dynamic Damper
 Hydraulic Mount and Bushing

Weatherstripping
 PVC Molding
 Brim Cover
 Windshield
 Door Seal
 Glass Run
 Fuel Hoses
 Mold/Die Making

Hoses
 Water Hoses
 Oil Hoses
 Air Hoses
 Heater Hoses
 BPT Hoses
 Fuel Hoses
 Power Steering Hoses
 Side Protectors

Plastics
 Wafer Cassettes
 Rim Bumpers
 Reinforcement
 Solar Power Junction Boxes
 Garnish
 Seat Panel
 Fasteners

Other
 Oil Seals
 Rubber Gaskets
 PVC Gaskets
 Diaphragms

Capabilities

Injection Molding • Extrusion • Compression Molding • Vacuum Compression
 Tool and Die Making • Printing • Coloring • Trimming • Sizing
